

Lesson 07  
The Centrality of Christ  
Colossians 2:8-17  
March 31, 2021

We have no need to follow legalistic requirements of Gnostic Judaizers or any other religious system. We are complete in Christ, having enjoyed spiritual circumcision of the heart, having been Spirit baptized so we are identified with Christ and have a new life, having been regenerated, having all our sins forgiven, having all our debts destroyed so that no trace of them exists, and finally having our demonic foes publicly humiliated all because of Christ's work on the cross. Thus, we have no need of human philosophy and we have no need to follow legalistic practices or to direct our worship in any other direction. We already have everything we need in Christ.
